AGENDA
SC 14 Oil and Gas – Upstream
Develops and maintains standards and reports for upstream dealing with
the mitigation and control of corrosion in the exploration and production of
oil and gas.
Thursday, October 8, 2020
9:00a - 11:00 am CST
Virtual Kickoff Meeting
Zoom Meeting Information: https://zoom.us/meeting/register/tJ0ufu2vqzggG9be-Q7JVm_kDnPUoQM3m9Bn

1. Call to Order

At the beginning of each meeting the Chair must reference the NACE Antitrust Policy, IP Statement, Patent Disclosure, and Copyright
Acknowledgement provided below.

2. Introduction of Meeting Attendees

3. NACE International & NACE Committee Workspace Briefing/Staff Report

4. Approval of Agenda

5. Membership Review

6. New Business

6.1. Introduce/Review Committee Charter

6.2. Overview of Assigned Committee Documents
   6.2.1. SP0176 Corrosion Control of Steel Fixed Offshore Platforms
           Associated with Petroleum Production. DPM: Benjamin Carpenter
   6.2.2. SP0492 Metallurgical and Inspection Requirements for Offshore
           Pipeline Bracelet Anodes. DPM: Jeevanandam Shanmugam
   6.2.3. SP0387 Metallurgical and Inspection Requirements for Cast
           Galvanic Anodes for Offshore Applications. DPM: James Lenar
   6.2.4. SP21469 Corrosion Inhibitor Program Management for Oil and Gas
           Fields. DPM: Hans Sonke

6.3. Potential Standards Projects
   6.3.1. Downhole Corrosion and Scale Inhibitor Application via Capillary
           Tubing. DPM: Nihal U.Obeyesekere. – ready for balloting
   6.3.2. Open discussion on additional ideas
6.4. Other Committee Activities

6.5. Presentations on Topics of Interest to SC

7. Action Item Review

8. Next Meeting Date/Format & Tentative Issues

9. Adjournment

NACE Antitrust Policy Statement: The NACE Antitrust Policy Statement contained in the *NACE International Policies and Procedures Manual* shall be followed in standards development. Additionally, in discharging their responsibilities, members of the Standards Board and Standards Committees function as individuals and not as agents or representatives of any organization with which they may be associated, except that government employees participate in accordance with governmental regulations. Members are appointed to Standards Committees on the basis of their individual qualifications which enable them to contribute to the work of the Committee.

Intellectual Property Statement: NACE reserves the right to copyright any of its products, databases, audio/visual products or any other subject matter. NACE is responsible for communication, publication, and distribution in order to protect its products regardless of the means of distribution in print, databases, electronically, or any other method. This is intended to protect NACE from unauthorized reproduction, republication, or redistribution of NACE IP, including altering or removing any trademark, copyright or other notice from such material. NACE logos and all related trademarks, tradenames, and other intellectual property are property owned by NACE and cannot be used in full or in part without express prior written permission. As a participant in NACE technical committees, individuals agree that the collective work of the committee(s) is the property of NACE. It is NACE policy that the property rights of third parties shall be respected and not be infringed upon by NACE employees, members, or other participants. This agreement is intended to achieve the core purpose and accomplish the mission of NACE International and its members.

Patent Disclosure: The NACE Patent Policy contained in the *NACE International Policies and Procedures Manual* shall be followed in standards development. In cases dealing with American National Standards, ANSI's patent policy (see *ANSI Essential Requirements*) shall be followed. When any Standards Committee member becomes aware that a standard under development might infringe on any patented or licensed technology, NACE staff should be notified.

Copyright Acknowledgement: As a participant in NACE Standards Committees, individuals agree that the collective work of the committee(s) is the property of NACE, and NACE is charged with its publication, dissemination, and protection pursuant to U.S. Copyright Law.

Any recording (including audio or video) of meetings is not permitted.
