AGENDA
SC 13 Corrosion Monitoring & Measurement
Assignment: Develops and maintains standards and reports that provide monitoring, testing and measurement procedures for corrosive environments or materials in contact with those environments

Friday, September 25, 2020
9:00 am -11:00 am CDT
Virtual Kickoff Meeting
Zoom Meeting Information:
https://zoom.us/meeting/register/tJcocoGorTIrGdMMjlsJ891JIJbkQb_pvpJu

Chair: Nihal Obeyesekere Ph.D. Nihal.obeyesekere@clariant.com

Vice Chair: Brent Shear Ph.D., PE: Brent.Sherar@Honeywell.com

1. Call to Order

At the beginning of each meeting the Chair must reference the NACE Antitrust Policy, IP Statement, Patent Disclosure, and Copyright Acknowledgement provided below.

2. Introduction of Meeting Attendees

3. NACE International & NACE Committee Workspace Briefing/Staff Report

4. Approval of Agenda

5. Standards Organization Overview (E. Bradshaw)

6. Scope of the SC and Q&A

7. Membership Update

8. Document Projects

8.1. Overview of Assigned Committee Documents
8.1.1. TM0211 - Durability Test for Copper/Copper Sulfate Permanent Reference Electrodes for Direct Burial Applications
8.1.2. TM0113 - Evaluating the Accuracy of Field-Grade Reference Electrodes
8.1.3. ANSI/NACE TM0416 - Test Method for Monitoring Atmospheric Corrosion Rate by Electrochemical Measurements (F. Friedersdorf confirmed as DPM)
8.1.4. TM0208 - Laboratory Test to Evaluate the Vapor-Inhibiting Ability of Volatile Corrosion Inhibitor Materials for Temporary Protection of Ferrous Metal Surfaces
8.1.5. SP0487 - Considerations in the Selection and Evaluation of Rust Preventives and Vapor Corrosion Inhibitors for Interim (Temporary) Corrosion Protection
8.1.6. TM21465 - Molecular Microbiological Methods - Sample Handling and Laboratory Processing
8.1.7. SP21466 - Material Sustainability
8.1.8. SP21467 - Labeled Corrosion Images for Computer Vision Applications
8.1.9. There are twelve (12) additional Technical Reports (TRXXXXX) under the SC 13 umbrella.

8.2. Other Committee Activities
8.2.1. Documents in Need Review/Revision/Reaffirmation

9. New Business
9.1. Potential New Standards Projects
9.2. Presentations on Topics of Interest to SC
9.3. Announcement of Next Meeting (NACE 21?)

10. Adjournment

NACE Antitrust Policy Statement: The NACE Antitrust Policy Statement contained in the NACE International Policies and Procedures Manual shall be followed in standards development. Additionally, in discharging their responsibilities, members of the Standards Board and Standards Committees function as individuals and not as agents or representatives of any organization with which they may be associated, except that government employees participate in accordance with governmental regulations. Members are appointed to Standards Committees on the basis of their individual qualifications which enable them to contribute to the work of the Committee.

Intellectual Property Statement: NACE reserves the right to copyright any of its products, databases, audio/visual products or any other subject matter. NACE is responsible for communication, publication, and distribution in order to protect its products regardless of the means of distribution in print, databases, electronically, or any other method. This is intended to protect NACE from unauthorized reproduction, republication, or redistribution of NACE IP, including altering or removing any trademark, copyright or other notice from such material. NACE logos and all related trademarks, tradenames, and other intellectual property are property owned by NACE and cannot be used in full or in part without express prior written permission. As a participant in NACE technical committees, individuals agree that the collective work of the committee(s) is the property of NACE. It is NACE policy that the property rights of third parties shall be respected and not be infringed upon by NACE employees, members, or other participants. This agreement is intended to achieve the core purpose and accomplish the mission of NACE International and its members.
**Patent Disclosure:** The NACE Patent Policy contained in the *NACE International Policies and Procedures Manual* shall be followed in standards development. In cases dealing with American National Standards, ANSI’s patent policy (see *ANSI Essential Requirements*) shall be followed. When any Standards Committee member becomes aware that a standard under development might infringe on any patented or licensed technology, NACE staff should be notified.

**Copyright Acknowledgement:** As a participant in NACE Standards Committees, individuals agree that the collective work of the committee(s) is the property of NACE, and NACE is charged with its publication, dissemination, and protection pursuant to U.S. Copyright Law.

Any recording (including audio or video) of meetings is not permitted.
