

Mission

The Payments Innovation Alliance brings together diverse, global stakeholders to support payments innovation, collaboration, and results through discussion, debate, education, networking and special projects that support the ACH Network and the payments industry worldwide.

PAYMENTS INNOVATION ALLIANCE[®]
CONNECT. ENGAGE. TRANSFORM.

Connect, Engage and Transform...

The Alliance provides a single membership program that spans across all payment areas and creates a new inclusive voice for the payments industry and the ACH Network. Benefits of membership include:

- Access to a diverse membership of global payment leaders and expand your view of the payments market
- Drive industry change, innovation, and best practices through active project teams that develop white papers, tools, proprietary research, etc.
- Networking, knowledge exchange, education
