

ANTITRUST STATEMENT

As a prologue to our meeting, please keep in mind that numerous state and federal laws absolutely prohibit the exchange of certain business information among competitors. Therefore, the California Association of Dental Plans (CADP) acknowledges and requires members of its Board of Directors and appropriate committees not to have discussions regarding any of the following:

- Price
- Profits
- Commissions
- Refusals to deal
- Product distribution and geographic dispersion
- Any other cost components or elements
- Agreements to proceed in certain anti-competitive respects
- Reference to any specific company name in examples given as illustrations during discussions.

No such exchange of this information is sanctioned by CADP, nor will it be tolerated. No deviation from this policy will be allowed.

*Approved by the CADP Board of Directors on September 20, 1996
Revised on January 12, 2010*
