

What is the NAILBA Charitable Foundation?

A forum for giving back . . . to improve the quality of life for those in need in the many communities served by our membership and by our valued partners. The mission of your NAILBA Charitable Foundation is to encourage volunteerism among NAILBA member agencies and our corporate partners and provide grant funds to worthy charitable organizations that serve to enhance the quality of life for those less fortunate, with special emphasis on children.

Your donations go to those charities where you are involved and where a grant can make a significant impact. In 2016, your NAILBA Charitable Foundation was able to award \$220,000 in grants to 17 worthy charities and the Life Happens Life Lessons Scholarship Program.

If you have not contributed in the past or have not renewed your commitment for 2017, please consider this very worthy cause for your charitable endeavors. For more information about the NAILBA Charitable Foundation, please contact Kathy Allison, NAILBA's Director of Membership and the Foundation, at kallison@nailba.org or at (703) 383-3081.

Your thoughtfulness and support will serve a vital role in NAILBA and the insurance brokerage industry by playing a bigger role advocating the support of those in our communities less fortunate than ourselves. THANK YOU.
