

STLPNP meeting minutes June 2015

June meeting minutes

Our Auction was a success! We raised \$1500 which we will use to purchase braille books for several blind patients. We also collected two bins full of new or gently used books. Melissa Sicard delivered some to Haven House which they will include in their small library. Sue Davis delivered the remaining books to Ready Readers. Thanks to everyone for their donations!

Congratulations to the our PNP of the Year and PNP Student of the Year.

Christi Abeln was voted PNP of the Year. She has worked in Orthopedics at Washington University Pediatrics for many years and came with very high recommendations and praises!

Kathleen Hilton was awarded PNP Student of the Year. She recently graduated from SLU. Her faculty and preceptors were clearly impressed with her skills and knowledge as a student.

We sadly said goodbye to Ann Schulte after 8 years of being the Membership Chair for StLPNP. She will be missed and her help was invaluable. We welcome Cheryl Grave to the Membership position. In the future mass emails, newsletters etc will come from Cheryl, so watch for them! Carrie Thrasher has stepped down from her Website position. We wish her well and say thank you too!

Our new secretary is DeAnn Wilson! This is an elected position on the StLPNP Board. We thank her for wanting to be more involved and say adios to Natalie Bayton. Thanks Natalie!
