# Program Objectives

---

**At the end of this conference, learners will be able to:**

- Analyze common and dangerous dermatological conditions in pediatric populations;
- Evaluate inappropriate actions by health care professionals that may lead to loss of licensure;
- Analyze the 2024 immunization schedule to order immunizations based on individual immunization records;
- Recognize the most appropriate reproductive health care needs for adolescent populations;
- Apply the principles of safe prescribing for pediatric psychopharmacological medications; and
- Describe the current status of the NYS legislation for the Modernization Act.

**National Association of  
Pediatric Nurse Practitioners<sup>SM</sup>**
