Hello NC NAPNAP,

I hope everyone had a blessed and wonderful holiday season with family and friends. It is hard to believe that winter is upon us. We are looking forward to an amazing Spring/Summer! Our board is busy planning another member appreciation event at the Durham Bulls. I can't wait to reconnect as it was a such fun time last year. Please Save the Date (in this newsletter)! We are also pleased to announce we are working on another Summer Lecture Series for CE during June, July, and August. And lastly I hope many of you will be attending the NAPNAP National Conference in March either in person or on the live stream! There are so many opportunities for CE with either option! Hope to see you soon!
