Objective 2 was met: 5.0

Objective 3 was met: 5.0

Presentation was of sufficient Depth: 5.0.0

The facilities were conducive to learning: 4.73

"Outstanding talk; practical and applicable."

"Excellent presenter, I have a better understanding of the treatment options for GERD."

"This has been the most enjoyable of the offerings - sufficient number of members, not too crowded together, ample volume of speaker. Very good presentation."

"Great presentation."

"Music from downstairs was a little distracting, but otherwise excellent!"

"It was difficult to hear due to music and background noise from downstairs!"
