

NC NAPNAP: CHAPTER NEWSLETTER

NEWS FROM THE BOARD

NC NAPNAP is proud to be a sponsor of A special event at the 2025 National NAPNAP conference. This event will show a documentary called *Everybody's Work* and related interactive activities. This event is led by NC's own Dr. Becky Carson, recipient of the 2024 Rasheeda Monroe Health Equity Grant, and the NAPNAP DEI committee. Join us March 10 during the national conference!

Our chapter is also a proud sponsor of NAPNAP's silent auction, which raises funds for scholarships, grants, and programs for PNPs.

Group Membership Discount: If there are at least 20 NAPNAP members joining from your institution, you can receive a 20% discount! This is a great way to encourage membership among colleagues at the many excellent institutions across our state. More information available at: <https://www.napnap.org/group-membership/>
