Q10 You indicated your state maintains a database of boater education cards. Please explain the following: Type and number of databases maintained? How many years of data/records are available? How often do you update the records?

Answered: 13 Skipped: 2

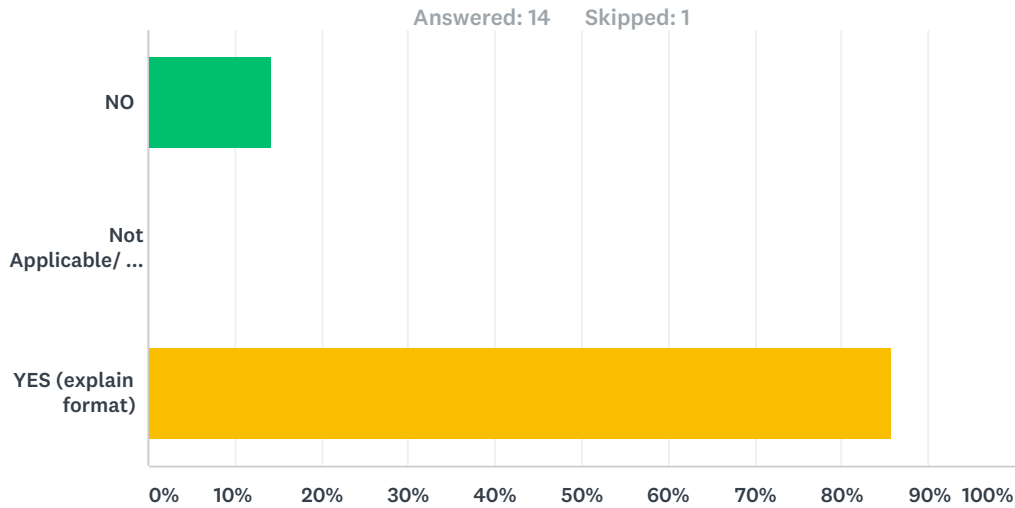

#	Responses	Date
1	Internal database designed and maintained by our I.T. department. Operational since 2003. Records are updated daily.	5/4/2017 10:04 AM
2	3rd party vendor responsible for State Licensing & Registration system. All safety education certificates are tied to the customer's account. Records are not archived, so all records are maintained in the database.	4/19/2017 11:33 AM
3	We have records since 2004. These are just for in-person officer lead classes and not for the online providers. There is one database and I think it is stored as an excel file (IT question)	4/18/2017 1:56 PM
4	Current database is AS400. Expect a new database TBD within a year.	4/12/2017 5:10 PM
5	One database, Classroom data back to 1996, online vendor data started in 2016. We update and enter data daily.	4/12/2017 12:43 PM
6	We have a Microsoft Access document which goes back to the mid 2000's and has all student info. Now we have gone to an online data base we pull student data from the site and add to our Access document	4/11/2017 9:13 PM
7	8 years. Within 30 days of date courses are completed.	4/11/2017 7:50 PM
8	One database. All records since law ENF into effect since 2008. About 290000 records. Not updated - only when issued or if a replacement is requested	4/11/2017 7:25 PM
9	We have a list of students that have completed the classroom course	4/11/2017 4:44 PM
10	Very old mainframe system 1974-1980 kinda sketchy records, 1980-current accurate records. Update records monthly	4/11/2017 3:45 PM
11	Now we use event manager with a tie-in to our new licensing system (ACTIVE is the software). Our BE law went into effect in 2001, so our records go back to 2001. We update the records as soon as a certified class is completed.	4/6/2017 1:31 PM
12	one database. believe 1990. ongoing as generated.	4/6/2017 10:58 AM

1	Law Enforcement should have access at all times to check status via Dispatch (24/7). Challenge is to have states on same page to input data in 1 system.	5/4/2017 10:13 AM
2	State privacy statutes	4/19/2017 11:34 AM
3	Data practices. MN is not in VIS for this reason.	4/12/2017 6:18 PM
4	Making sure database is only for NASBLA approved courses and not state approved or vendor courses outside of NASBLA approvals.	4/12/2017 12:46 PM
5	Our state would most likely prevent sharing this information for privacy concerns	4/11/2017 7:26 PM
6	I am not an LE officer and I assume you want this answer from LE only	4/7/2017 4:10 PM
7	At least not in my state...we accept ANY card as long as it can be verified that the course was NASBLA approved.	4/6/2017 1:32 PM
8	Would need state legislation allowing for the sharing of info and the Commonwealth participation	4/6/2017 11:00 AM
9	It would save a lot of work but should be limited to LE use only. I can foresee privacy issues from some states.	4/5/2017 5:50 PM
