NASBP APPOINTS NEW DIRECTORS-AT-LARGE AND REGIONAL DIRECTORS TO BOARD OF DIRECTORS

WASHINGTON, DC—The National Association of Surety Bond Producers (NASBP) announced at its Annual Meeting in San Diego, CA the appointment of three Directors-At-Large and three Regional Directors to serve on the NASBP Board of Directors.

NASBP has elected the following bond producers to the position of Director-At-Large: **Toby Miclette** of Bowen Miclette & Britt Insurance Agency, LLC in Houston, TX; **Maureen O'Connell** of Arthur J. Gallagher & Co. in San Francisco, CA; and **Warren "Bud" Withrow** of CoWest Insurance Associates, LLC in Denver, CO.

NASBP Directors-At-Large set policy for the Association and vote on the Association's policy matters. These three join nine other NASBP Directors-At-Large currently serving on the Board. Directors-At-Large serve three years.

In addition to the nine Regional Directors who were re-appointed to oversee their regions, NASBP has elected the following three new Regional Directors:

Christian Downey of Downey and Company in Albuquerque, NM, who will oversee **Region 3** which includes Colorado, New Mexico, Utah, and Wyoming; **Gregory Morin** of Lockton Companies, LLC in Kansas City, MO, who will oversee **Region 4** which includes Kansas, Missouri, and Nebraska; and **Jill Tucker** of Cory, Tucker & Larrowe, Inc. in Metairie, LA, who will oversee **Region 6** which includes Arkansas, Louisiana, Oklahoma, and Texas.

Each Regional Director helps plan the annual NASBP regional meeting for his or her region and serves at least a one-year term. Regional Directors may serve consecutive years.

NASBP thanks these individuals to their commitment and service to the Association.

Founded in 1942, the National Association of Surety Bond Producers (NASBP) is the association of and resource for surety bond producers and allied professionals. NASBP members specialize in providing surety bonds for construction contracts and other purposes to companies and individuals needing the assurance offered by surety bonds.
