# Cost Calculator

Families can use the cost calculator to estimate their monthly premium payment through two steps:

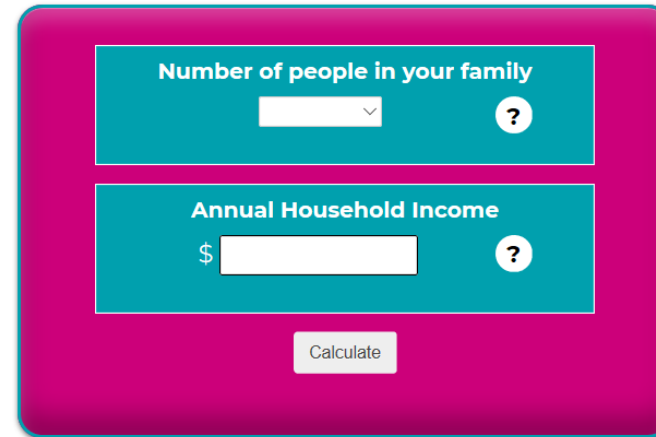

1. Entering the number of people in their family
2. Entering their annual household income

## COST CALCULATOR

[Estimate my monthly premium now](#)

From birth through the end of age 18, Florida children are eligible for head to toe coverage, even if one or both parents are working. If you're interested in applying for Florida KidCare coverage for your child(ren), use this simple cost calculator to estimate what your monthly premium payment would be. Most families pay nothing at all, and many pay as little as just \$15 or \$20 a month for all children in the household.

*Please complete all fields*

The image shows a digital form for the Florida KidCare Cost Calculator. It has a pink background. The first section is titled "Number of people in your family" and contains a dropdown menu with a downward arrow and a question mark icon. The second section is titled "Annual Household Income" and contains a text input field with a dollar sign icon and a question mark icon. At the bottom of the form is a "Calculate" button.

To qualify for Florida KidCare coverage, a child must be a U.S. citizen or lawfully-residing immigrant and meet all other eligibility requirements. Coverage options are available for qualifying children from birth through the end of age 18.
