

MSNA Members:

The Executive and Nominating Committees are very excited about the upcoming MSNA election process. As you may recall, the membership was polled, through a survey, and then voted, as a body, to go to an election process for the President-Elect, Secretary-Elect, and Treasure-Elect positions. We would like for each regional association to have great representation on the Executive Committee. If you would like to run for an office, please download the candidate nomination form from this website and submit it to me on or before February 28, 2012. You will find requirements for candidates in Article V of the MSNA By-laws. You may email your completed form or questions to dholdiness@vwsd.org. We look forward to a successful election process!
