

LIST OF FORMS

Section 1: Diabetes Overview

- 1-1 References

Section 2: Monitoring at School: Blood Glucose and Ketones

- 2-1 References
- 2-2 Blood Glucose Monitoring Fact Sheet
- 2-3 Diabetes Management Log
- 2-4 Procedure for Blood Glucose Monitoring
- 2-5 Procedure for Blood Ketone Monitoring
- 2-6 Procedure for Urine Ketone Monitoring
- 2-7 Blood Glucose/Blood Ketone Monitoring Skills Checklist
- 2-8 Urine Ketone Monitoring Skills Checklist
- 2-9 Delegating Blood Glucose/Blood Ketone Monitoring
- 2-10 Delegating Urine Ketone Monitoring
- 2-11 Health Service Mutual Agreement: Student Independent Performance of Blood Glucose Monitoring

Section 3: Diabetes Medications: Administration at School

- 3-1 References
- 3-2 Insulin Administration Fact Sheet
- 3-3 Insulin Action Times
- 3-4 Procedure for Insulin Administration By Syringe
- 3-5 Procedure for Insulin Administration By Pen Device
- 3-6 Insulin Administration: Syringe Skills Checklist
- 3-7 Insulin Administration: Pen Device Skills Checklist
- 3-8 Delegating Insulin Administration By Syringe
- 3-9 Delegating Insulin Administration By Pen
- 3-10 Health Service Mutual Agreement: Student Independent Performance of Blood Glucose Monitoring and Insulin Administration
- 3-11 Diabetes Self-Management Authorization: Administration of Medication and Monitoring at School

Section 4: Insulin Pumps at School

- 4-1 References
- 4-2 Insulin Pump – Fact Sheet
- 4-3 Insulin Pump Management Log
- 4-4 Procedures for Insulin Pump Therapy for the Student Who Can Independently Manage Their Care
- 4-5 Procedures for Insulin Pump Therapy for the Student Who Requires Supervision to Manage Their Care
- 4-6 Insulin Pump therapy Skills Checklist
- 4-7 Delegating Insulin Pump Therapy
- 4-8 Sample Health Service Mutual Agreement: Insulin Pump

Section 5: Diabetes Management: The Role of Nutrition and Activity

- 5-1 References
- 5-2 Carbohydrate Content of Foods

Section 6: Potential School Emergencies: Managing Hypoglycemia and Hyperglycemia at School

- 6-1 References
- 6-2 Hypoglycemia – Fact Sheet
- 6-3 Hyperglycemia – Fact Sheet
- 6-4 Glucagon – Fact Sheet
- 6-5 Sample Algorithm for Managing Blood Glucose Results
- 6-6 Low Blood Glucose (Hypoglycemia) Management Algorithm
- 6-7 High Blood Glucose (Hyperglycemia) Management Algorithm
- 6-8 Diabetes Medical Request to Provider (Dm-Dmr)
- 6-9 Hypoglycemia Skills Checklist
- 6-10 Hyperglycemia Skills Checklist
- 6-11 Procedure for Glucagon Injection
- 6-12 Glucagon Injection Skills Checklist
- 6-13 Delegating Glucagon Administration

Section 7: Diabetes Management at School: The Role of the School Nurse

- 7-1 References
- 7-2 Disaster Preparedness for Students with Diabetes
- 7-3 Key Components of Diabetes Management in the School for the Unlicensed Assistive Personnel & School Nurse
- 7-4 Summary of Key Components of Diabetes Management in the School for the School Nurse

- 7-5 Diabetes Medical Management Plan for School
- 7-6 Diabetes Questionnaire
- 7-7 Diabetes Care Tasks Checklist Determining Student Independence in Diabetes Management at School
- 7-8 Students with Diabetes Developmental Issues, Diabetes Care Tasks & educational Considerations
- 7-9 Diabetes Individualized HealthCare Plan
- 7-10 Diabetes Education and Management Record
- 7-11 School Year Timeline for Diabetes Management Sample
- 7-12 Sample Letter to Parents Effective Diabetes management at School
- 7-13 Sample School Health Office Diabetes Record (SHODR)
- 7-14 Diabetes Management Log
- 7-15 Diabetes Problem Visit Notification (DVN)
- 7-16 Sample Delegation Tree
- 7-17 Sample Training Agreement for Unlicensed Assistive Personnel
- 7-18 Unlicensed Assistive Personnel Diabetes Management Task Observation Record
- 7-19 School Nurse Diabetes Management Training Kit

Section 8: Diabetes Management at School: The Child in the School Setting

- 8-1 References
- 8-2 Actions for the School Nurse
- 8-3 Actions for the Unlicensed Assistive Personnel (UAP)
- 8-4 Actions for the Parents or Guardians
- 8-5 Actions for the Student with Diabetes
- 8-6 Actions for Classmates
- 8-7 Actions for the Principal, School Administrator, or Designee
- 8-8 Actions for the Teacher
- 8-9 Teacher Rights & Responsibility In Caring for Students with Diabetes
- 8-10 Actions for the Guidance Counselor or School Psychologist
- 8-11 Actions for the Coach and Physical Education Instructor
- 8-12 Actions for the Food Service Manager, Lunchroom Staff, or Lunchroom Monitor
- 8-13 Actions for the Bus Driver

- 8-14 CASE STUDY #1: New Onset Diabetes
 - 8-15 Sample School Health Office Diabetes Record
 - 8-16 Diabetes Emergency Care Plan
 - 8-17 Diabetes Individualized HealthCare Plan

- 8-18 CASE STUDY #2: Type 2 Diabetes & Limited Resources
 - 8-19 Sample School Health Office Diabetes Record
 - 8-20 Diabetes Emergency Care Plan
 - 8-21 Diabetes Individualized HealthCare Plan

- 8-22 CASE STUDY #3: Adolescence

- 8-23 Sample School Health Office Diabetes Record
- 8-24 Diabetes Emergency Care Plan
- 8-25 Diabetes Individualized HealthCare Plan

Section 9: Diabetes Management Resources

- 9-1 References
- 9-2 Tips for Kids with Type 2 Diabetes
- 9-3 Resource Web Sites

Section 10: Regional Considerations

- 10-1 State Laws, Regulations and Policies
