Box 32.4

SAMPLE BEHAVIOR PLAN

Student: __________________________ Date: ____________
School: __________________________ Grade: _________
Reason for behavior plan: ____________________________________________________________

- Give a description of the behavior that will be strengthened and/or taught to the student to replace the behavior of concern, including steps to provide frequency opportunities for the student to engage in and be reinforced for the desired behavior.

- Give a full description of the strategies or procedures to be included in the plan; the times, places, and situations under which the plan may be introduced; person(s) responsible for its implementation; and any potential risks associated with the plan.

- Give a full description of the steps that will be taken to eliminate future occurrences of the behavior, including changes in the social/physical environment, teaching of replacement behavior, or both.

- Give the timetable for review of the plan.

Parental Approval

Indicate level of parent/guardian participation and approval of the plan.
