SETT

SCHOOL EMERGENCY TRIAGE TRAINING

A Program for School Nurses

Saturday October 20, 2018

9:00am - 3:00pm

(Registration 8:30am - 9:00am)

Wayne Regional Educational Service Agencies

33500 Van Born Road

Wayne, MI 48184

• **SETT Objectives (summarized):**

1. Describe the importance of preventative training for disaster planning, organizing, training, equipping, exercising and evaluating and taking corrective action prior to a school Mass Casualty Incident (MCI) event.
2. Lists skills and characteristics a school nurse would need to be an effective leader in mass casualty response in schools.

• **Description:**

SETT is an educational program developed by the National Association of School Nurses. Course materials include a SETT Participant manual and numerous resources to support school nursing practice as it relates to mass casualty events. A completed evaluation and full day attendance are required for 5.25 CNE contact hours to be awarded.

• **Registration:**

Online registration only is accepted by **Tuesday, October 16**. **No on-site registration will be available**. To register on-line, please visit <https://mischoolschoolnurses.nursingnetwork.com/nursing-events/98591-masn-fall-conference-school-emergency-triage-training#!info> and look for the program and lodging information on the homepage under Upcoming Events. For registration or CNE questions please contact Danielle Harris at dharris@nasn.org or 240-247-1634. Confirmation of registration will be sent via e-mail.

Cost: \$125.00 NASN Member
\$150.00 Non-member

**Lunch is included in fee.

For questions regarding venue, directions or other miscellaneous information contact Evilia Jankowski at 734-334-1551 or jankowe@resa.net.

National Association of School Nurses is accredited with distinction as a provider of continuing nursing education by the American Nurses Association Credentialing Center's Commission on Accreditation.
