Act 48 provided by PASNAP

– SETT Objectives (summarized):

1. Describe the importance of preventative training for disaster planning, organizing, training, equipping, exercising and evaluating and taking corrective action prior to a school Mass Casualty Incident (MCI) event.
2. Lists skills and characteristics a school nurse would need to be an effective leader in mass casualty response in schools.

– Description:

SETT is an educational program developed by the National Association of School Nurses. Course materials include a SETT Participant manual and numerous resources to support school nursing practice as it relates to mass casualty events. A completed evaluation and full day attendance are required for 5.25 CNE contact hours to be awarded.

– Registration:

- Registration and complete payment must be received by **Tuesday, October 15, 2018**. No on-site registration will be available.
- To register on-line, please visit www.nasn.org and look for the program on the homepage under Features. There is also a link under events at www.pasnapp.org
- For registration, CNE questions or to pay by check or purchase order please contact Danielle Harris at dharris@nasn.org or 240-247-1634. Confirmation of registration will be sent via e-mail.
- For questions regarding Act 48 credits, venue, directions or other miscellaneous information contact pasnapnurses@gmail.com
