

A Program for School Nurses

Friday, April 15, 2016

7:30am - 1:00pm

(Registration 7:30am – 8:00am)

Lake Charles, LA

• **SETT Objectives (summarized):**

1. Summarize the basic principles, methods, and steps used in performing triage in the school setting.
2. Apply triage knowledge to develop basic disaster treatment and rescue plans in school.

• **Description:**

SETT is an educational program developed by the National Association of School Nurses. This program equips the school nurse with knowledge to develop and lead school First-Aid teams. Course materials include a SETT Participant manual and JumpSTART algorithms. A completed evaluation and full day attendance are required for 4.5 CNE contact hours to be awarded.

• **Registration:**

Form with complete payment must be received by, **March 18, 2016**. No on-site registration will be available. Confirmation of registration will be sent via e-mail. The local host contact is *Niona Whiddon RN*, you may contact her at 337-463-5908 or email at nwhiddon@beau.k12.la.us
