

Indiana Association of School Nurses Annual Conference
SCHOOL NURSES: ELEVATING YOUR WORTH

NOVEMBER 6 - 7, 2019
Embassy Suites / Noblesville, IN

Indiana Association of School Nurses Annual Conference

School Nurses: Elevating Your Worth

Up your game as a school nurse. Our role frequently places us in situations much larger than we can completely understand. There are many times when an issue at hand will leave you feeling insecure and poorly prepared to competently address and remedy the situation. By being alert to new challenges and receptive to the influence placed before you, you can become a more confident and more capable school nurse

Register today by going to the link provided below:

<https://www.eventbrite.com/o/indiana-association-of-school-nurses-23460133378>

Indiana Association of School Nurses Annual Conference - Elevating Your Worth

DAY ONE – NOVEMBER 6, 2019

- | | |
|-------------------------|---|
| 7:30 – 8:30 am | Registration and continental breakfast |
| 8:30 – 8:45 am | Welcome and introductions |
| 8:45 – 10:15 am | <p>Keynote: “Are You My School Nurse?” – Dr. Jane Chevako
Dr. Jane starts as a zebra, a reminder of the sharp contrast of how a school nurse’s job is NOT black and white. She reviews what makes school nurses the super heroes for our students. Taking care of others is a priority of all healthcare providers, who ironically often fail to take care of themselves. Dr. Jane will emphasize many ways in which we need to make ourselves a priority. She finishes as a student, thankful for the multitude of things that school nurses do every day! She wants each school nurse to be proud of their work, energized and motivated to be the best school nurse they can be.</p> |
| 10:15 – 10:45 am | <p>Vendors
Explore and discuss the newest trends, equipment and learning opportunities.</p> |
| 10:45 – 11:45 am | <p>Vaping: Tobacco Coalition, Miranda Spitznagle and Shirley Dubois
Let’s clear the air about vaping. It’s more dangerous than you think.</p> |
| 11:45 – 12:45 pm | Lunch / Vendors |
| 12:45 – 2:15 pm | <p>Human Trafficking: Indiana Trafficking Victims Assistance Program, Elaine Bottomley
We are fighting an industry that hides in plain sight. It is shattering lives, destroying families, and rendering victims hopeless and isolated. Human trafficking is a large, very complex issue that is entangled in many other issues like broken families, cultural sexualization, drugs, and runaways. It’s all about manipulation and vulnerability. The industry is domestic human trafficking; its leaders are the pimps/traffickers, the products are human lives, and the demand of buyers are growing exponentially through the ease and anonymity of technology. It may seem overwhelming, but together we can make a difference.</p> |

- | | |
|-----------------------|--|
| 2:15 – 3:15 pm | Whole Student – Whole Employee – Whole Community
My territory vs yours: Improving collaboration of school nurses and social workers. Why should we be talking about mental health in school? It takes a lot for a child to talk about their feelings, create a culture of caring and mentoring to establish those relationships. |
| 3:15 – 4:30 pm | Indiana Legislative Updates
A panel discussion to talk about everything from seizure education, THC, laws impacting schools and health services to field trips, who is responsible before and after the bell, adolescent consent and confidentiality. |
| 4:30 – 4:40 pm | Closing and Dinner
Closing of day one main program, dinner on your own and a free evening. |
| 4:40 – 5:30 pm | OPTIONAL: Indiana Association of School Nurses Membership Celebration and Meeting
Everyone is welcome to join us for comradery, prizes, and membership meeting. |

Indiana Association of School Nurses Annual Conference - Elevating Your Worth

DAY TWO – NOVEMBER 7, 2019

7:30 – 8:15 am	Registration and continental breakfast
8:20 – 8:30 am	Welcome to Day Two
8:30 – 9:45 am	“Hots, Snots and Trots” – Dr. Jane The most common issues of pediatrics that generate the vast majority of visits to health care providers and the greatest concerns for parents! Dr. Jane will begin with a definition of a fever, when to worry and the benefits that may be overlooked in those with “fever-phobia”. She will discuss the infections of the eyes, ears, nose and throat, focusing on the anatomy structures and the mechanism of the infections affecting them. Additionally, she will discuss the most common bacterial and viral causes of diarrhea. For school nurses, Dr. Jane will focus on the care that is within the school nurse’s scope of practice and will emphasize when the school nurse may send a student back to class and when they need to be sent home.
9:45 – 10:15 am	Vendors Explore and discuss the newest trends, equipment and learning opportunities.
10:15 – 11:15 am	GI, Ostomy, Incontinence: Lisa Kirk RN, CWOCN & Tim Luttrell RN, CWOCN Riley Hospital Discover the latest trends in GT, JT, Ostomies and Incontinence.
