

## IASN Strategic Plan

(Updated Nov 10, 2025)

1. IASN will foster leadership and well-being of school nurses within their schools and communities.

To achieve this goal, IASN will:

- 1.1 Identify, equip, and support the well-being of all Indiana school nurses.
- 1.2 Collaborate with stakeholders to provide leadership development for school nurses.
- 1.3 Empower school nurses through professional development to elevate and expand their professional expertise.

2. IASN will promote healthy student outcomes and health equity for all students utilizing the Framework for 21<sup>st</sup> Century School Nursing Practice.

To achieve this goal, IASN will:

- 2.1 Promote the Framework for 21<sup>st</sup> Century School Nursing Practice at the local, regional, and state levels.
- 2.2 Establish, maintain, and expand collaboration with IASN partners and other school related professional organizations.
- 2.3 Encourage school nurses to utilize population health data and research.

3. IASN will increase visibility, engagement, and diversity of members and stakeholders.

To achieve this goal, IASN will:

- 3.1 Strive to increase membership and diversity within our members and leadership.
- 3.2 Routinely communicate with members and stakeholders.
- 3.3 Promote the profession of Indiana school nurses.
