2016 Oregon School Nurse of the Year

Connie Hoffstetter, RN, MNe, NCSN
School Nurse for Bend School District
Accomplishments include:
✓ A member of the communicable disease team for the county health department
✓ Secured a CDC grant for students to identify those with asthma and establish ongoing care in a rural setting
✓ Formed a teen health advisory group at the high school which traveled to Salem meeting with legislators during the School Based Health Care Summit
✓ Is a member of the Hospital Children's Heart Foundation, which provides screenings. She did such a great job promoting the screening at her high school that they had the largest turn out
✓ Member of the state of Oregon TBI team
✓ Mentors nursing students during their community health rotation
✓ Is Nationally Certified!
✓ Helped establish three school based health centers
✓ Facilitates a support group for students with POT'S
✓ Was the recipient of her county public health hero award in 2012
