

**Health Share of Oregon; Potential for collaboration between pediatric practices and school nurses in the tri-county region**

**Date:** Thursday, October 4, 2012

**Time:** 2:00-3:00 pm

**Location:** Care Oregon 2nd Floor Conference (315 SW 5th Avenue, Portland, OR 97204)

**Purpose:** To brainstorm ways in which pediatric providers in the tri county area who see a high number of medicaid patients could work with school nurses to share accountability for young people who are seen both in the school setting and in the pediatric practice.

**Attendees:** Beth Baynes (Multnomah ESD) Colleen Rueland (Oregon Pediatric Improvement Project) David Labby (Health Share Chief Medical Officer), Nina Fekaris (Beaverton School District), Paula Hall (West Linn/Wilsonville School District), Rosa Klein (Health Share Chief Health Strategy Officer), Sandra Clark (Health Share Project Director for Community Health Strategies)
