CONGRATULATIONS TO OUR RHODE ISLAND SCHOOL NURSE OF THE YEAR..... KAREN NOLIN

Karen was nominated by her school principal in recognition of her outstanding leadership and exceptional care coordination skills. She is deeply respected and appreciated by her colleagues, who value her collaborative spirit and unwavering support. Karen is dedicated to fostering a culture of continuous quality improvement within her school, consistently seeking opportunities to enhance outcomes for students and staff alike. Additionally, she brings a strong foundation in community and public health, further enriching her ability to serve and advocate for the well-being of the school community.
