## EXAMPLE CALL SCRIPT

“Hello, my name is Jane Smith and I am a school nurse in Spokane. I am calling to ask that Senator Smith vote yes on SB 100, the School Nurse Funding Act, which would provide additional funding for school nursing services in schools. For many of my students I am their main health care provider. Children deserve to have their healthcare needs met in school, and it has a serious impact on their academic success. The bill will be up for a vote on the Senate floor on January 21st, and I hope to see the Senator support this legislation. Thank you for your time.”
