

GROUP VIEWING: NASN LEARNING CENTER PROGRAMS

*National
Association of
School Nurses*

For those who are interested in viewing any of NASN's learning center programs together as a group, there are a few guidelines that must be followed:

- 1.** Contact Stephanye White, swhite@nasn.org, at the NASN office.
- 2.** Each person viewing the program must register.
- 3.** If there is a fee attached to the program, the fee must be paid for each participant.
- 4.** To earn NCPD hours, each person must complete program assessments and evaluations.

NASN reserves the right to restrict access to the program should a participant not adhere to these guidelines.
