

## TSNO REGION III REGIONAL PRESIDENTS REPORT

TSNO Region III has had a slow restart but we are growing stronger. Last year we had our first meeting at the TSNO State Conference with only two members attending. The by-laws were updated and the bank account revived. The two officers continued to recruit members and interest in TSNO. Our president resigned in May because she left School Nursing. In August 2016 the new Region Three Service Center liaison helped coordinate a meeting for TSNO Region III. We now have new officers, will have our second meeting, and have found a wonderful group of nurses ready to revive our TSNO. We have grown from 6 to 22 members and plan to continue growing. Along with the Region 3 Service Center, Pecan Valley AHEC, and Citizens's Memorial Hospital, a workshop for School Nurses is being planned for the summer of 2017. Our new officers are ;

**President:** Tammy Kotzur

**President-Elect:**

**Secretary:** Lisa Harper

**Treasurer:** Denise Moore
