# Highlights and Information

## Welcome to The Woodlands and to the Texas School Nurses Organization 15<sup>th</sup> Annual Conference!

The 2017 TSNO conference theme, **School Nurses: Leaders United in Advancing Children's Health**, has been designed to provide many opportunities, aligned with NASN's Framework for 21st Century School Nursing Practice for School Nurses, to enhance skills and foster initiatives specific to school nursing, opportunities that will help you enhance and focus on the key principles and components of current day, evidence-based school nursing practice.

In addition to many professional, challenging, and fun breakout sessions, exemplary general sessions, and inspiring poster presentations, conference attendees will have opportunities to attend the Geriatrics session, and the Jurisprudence & Ethics session required by the Board of Nursing (BON).

The Exhibit Hall will host a generous variety of exhibitors and vendors showcasing the most current products and services to support your practice. In addition, this year will be our second Power of the Purse silent auction to support Star of Hope- dedicated to meeting the needs of homeless men, women and their children through positive life changes. Follow the conference experience on Twitter by using the hashtag, #TSNO2017.

The enriched knowledge and skills you will gain at the 2017 TSNO conference will not only inspire, but also enhance your ability as you continue to deliver the high quality nursing care that equips our students to be healthy, safe, and ready to learn. See you there! Lisa Sicilio, TSNO President

≈ **Quality Care, Quality Profession!** ≈

### Conference Objective:

The purpose of the Texas School Nurses Organization (TSNO) Annual State Conference is to provide evidence-based practice educational offerings that address identified gaps in knowledge and skills. The conference will promote excellence in clinical practice and improve the quality of health care that Registered Nurses deliver in the independent practice of school nursing. The identified gaps in knowledge and skills include the most current guidelines and standards for the management of chronic, acute and psychological health-related conditions seen in the school aged population and the enrichment of the School Nurse's professional practice. **The desired outcome of the 2017 TSNO Conference is for Registered Nurses to be prepared to implement their enhanced knowledge to meet the chronic, acute, and psychological health needs of students while advocating optimal physical and mental health for academic success through promoting School Nurses as the link to a healthy future.** This achievement will be evident through written feedback from participants by means of the online evaluation tool.

### Continuing Education Credits

Nursing contact hours have been applied for through the Texas Nurses Association, an accredited approver of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

### Evaluations and CNE Certificates of Completion

Attendees will complete conference session evaluations and an overall conference evaluation online. Upon completion of the evaluation process, attendees will be awarded a Continuing Nursing Education (CNE) Certificate of Completion.

### Refunds

No refunds will be given after October 27, 2017. Refund requests prior to October 27, 2017 must be in writing and will be subject to a \$50 processing fee.

### Photos and Videos

Registration, attendance, or participation in any TSNO meetings and/or other activities, constitutes an agreement by the registrant allowing TSNO's use and distribution (both now and in the future) of the registrant or attendee's image or voice in photographs, videotapes, electronic reproductions, and/or audiotapes of such events and activities, whether in brochures, news media, social media, promotional publications, or any other manner not specified here.
