The February meeting was an online meeting and we worked on getting the bank account information updated and accounted for. The Treasurer-Terri Fountain is working on finding a local bank branch closer to her hometown.

The Meeting this school year was on September 26. We welcomed new people that came and had 5 people in attendance. We discussed updating the email list and making sure that members were accounted for. We also discussed how to drive membership attendance. The issue of hosting a mini conference was discussed and how we could use that to drive up membership and agreed that we would work towards hosting a conference at Region V service center later in the year. Members were informed that the Treasurer was working on getting and expense report done but she was working issues out with bank getting statements. Only expenditures over the last 4 years have been for the travel of President to Annual conference and for the gift taken from region V.
