10 Reasons to Contact NH Family Voices

1. I am looking for books or videos on my child's diagnosis to help their teachers and classmates better understand them.
2. My child was just diagnosed. I have all this information but no idea what to do next.
3. My spouse lost their job and we won't have insurance to cover medical costs for our child with special needs and our family.
4. My child's school says he can't go on a field trip because they don't have a nurse or anyone to administer meds.
5. I'm unsure how to begin looking for a qualified specialist, therapist, or respite provider in New Hampshire.
6. Katie Beckett Medicaid is for kids with an "institutional level of care." What does that mean?
7. I need to pick or switch managed care organizations. Where can I get help?
8. My child is an adolescent. What should I be doing to prepare for the future?
9. Our doctor reccomended medication, therapy, or equipment for my child that is not covered by insurance.
10. I am working with a family and could use some help coming up with creative solutions for them.

10 Reasons to Contact Parent Information Center

1. I have so many questions about the special education process and don't know where to start.
2. My child is struggling in school and I am not sure what to do.
3. I am a teacher and need help supporting a family in our school.
4. I am unsure what to do if I disagree with a decision made by my child's school.
5. My child is transitioning out of Early Supports and Services and I am unsure what comes next.
6. My child is getting in trouble at school and I am constantly getting calls to get them.
7. I want to be a valued member of my child's education team.
8. My child is not making progress at school.
9. I want to learn how to develop a better relationship with my child's school.
10. My child has an IEP and we don't know how to plan for life after high school.
