

## Summer Camp Nurse (Registered Nurse) **YMCA Camp Coniston | Croydon, NH**

YMCA Camp Coniston is seeking compassionate, skilled Registered Nurses (RNs) to join our Summer Infirmary Team. This role is ideal for a nursing professional who enjoys working with children and young adults, values community, and thrives in a fun, mission driven camp environment.

As a Camp Nurse, you will play a vital role in supporting the health and wellbeing of campers and staff while helping create a safe, positive camp experience for everyone.

### Position Details

#### Compensation

- \$1,000 per week

#### Available Sessions

- Session 1: June 20 – July 4
- Session 4: August 1 – August 15

#### Schedule & Housing

- Live-in position
- Primary responsibilities occur during daytime and evening hours
- Overnight coverage is provided by additional staff

### Benefits & Perks

- Opportunity to bring your camp-age children (ages 8–15) to attend camp alongside you
- Private suite and meals provided
- Full access to camp facilities during off hours
- A truly unique summer experience in a beautiful lakeside setting

### About YMCA Camp Coniston

Since 1911, YMCA Camp Coniston has provided unforgettable summer experiences for children ages 8–15. Campers attend up to two two-week overnight sessions, where they try new activities, build friendships, and develop independence and resilience.

Camp Coniston is a place of firsts—first time away from home, first time shooting archery, first swim across the lake. Our community supports growth, confidence, and character in a safe, nurturing environment.

### Key Responsibilities

- Provide direct medical care to ill or injured campers and staff in the Infirmary
- Administer and manage camper medications according to established protocols
- Respond promptly and effectively to medical emergencies
- Communicate clearly and professionally with parents regarding medical concerns
- Maintain accurate electronic health records for campers and staff
- Promote accident prevention and overall camp health and wellness

- Uphold all policies related to communicable disease prevention and safety

#### Minimum Requirements

- Active Registered Nurse (RN) license in New Hampshire or a compact RN license
- Strong clinical assessment and decision making skills
- Ability to work independently in a fast paced environment
- Excellent communication and interpersonal skills
- Confidence responding to medical emergencies
- Experience in pediatric, school, or camp healthcare preferred (but not required)

#### Ideal Candidate

- Previous summer camp or youth focused healthcare experience (but not required)
- Warm, caring, and energetic approach
- Strong organizational skills and attention to detail
- Team oriented mindset with a passion for working with children
- Enthusiasm for contributing to a positive, healthy camp community
