

**UNH Youth Programs Summer Clinic Nurse
University of New Hampshire**

The Youth Programs Summer Clinic Nurse is hired by the Youth Programs Office. The core functions are to provide in-person and telehealth triage care for minor participants attending a UNH youth program/summer camp and attending some camp check-in dates to manage participant medications.

Summer on-campus minor participants typically number 4,000-5,000 in approx. 35 day and overnight camp offerings over the course of 8 weeks. The nurse is located in the summer youth programs clinic on the UNH-Durham campus. The position requires clinic coverage Monday – Friday, 9 am – 5 pm.

This is not an overnight position and no room and board is provided.

Position Dates: June 15, 2026 (or earlier if possible) - August 14, 2026.

Camps run from June 21-August 14.

Hours: 40 hours/week (9 am - 5 pm, Monday - Friday), with some flexibility if weekend hours are required.

Duties/Responsibilities

- Provide triage and follow-up care for minor participants through in-person and tele-health consultation.
- Follow up, as needed, with program staff & managers, and/or a parent/guardian. This may include recommendations for camp staff to transport a student to urgent care, the ER, etc.
- Assist with participant health-related support needs requests.
- Review all camp participant health information and ensure pertinent information is communicated with the appropriate program staff before camp begins.
- Support program managers, including for youth programs that are held off-campus.
- Attend camp check-in dates to collect medications. This includes some weekend hours.
- Maintain a clinic visit/communication log through the youth programs software, CampDoc.
- Determine clinic supply needs.
- Understand and follow all youth program health and wellness protocols.
- Prepare a summary and evaluation of the camp season and make recommendations for the following season.

Minimum Acceptable Education & Experience:

- Registered Nurse (RN) from State of NH
