

STATE MEMBERSHIP | FY27

Helping state HR leaders build high-performing government workforces through shared strategies, data, and collaboration.

WHAT IS NASPE?

NASPE is a national network of state HR leaders working together to address workforce challenges, share effective practices, and strengthen public sector HR across the country.

WHY IT MATTERS

NASPE strengthens state government workforce strategies through:

- Proven strategies from other states facing similar workforce challenges
- National benchmarking and data to inform policy & operational decisions
- A trusted peer network for real-time problem-solving & collaboration
- Opportunities to shape & participate in multi-state initiatives
