Autumn Snack Board

25 MIN • SERVES 6 • VEGETARIAN

Celebrate the flavors of fall by creating a simple snack board featuring seasonal ingredients. Mix and match your favorite items to create a balance of sweet, savory, crunchy, and creamy flavors.

START WITH

3 Cheeses: Choose a variety of textures and flavors, such as seasonal goat cheese, aged Gouda, or cranberry cheddar. Aim for at least 3 ounces of each cheese. Cut at least half of each cheese into cubes or slices.

Crackers: Include a mix of crackers, such as dried cranberry-studded or whole-grain varieties.

Fresh Fruit: Add seasonal fruit like pears, blackberries, fresh figs, or grapes.

Crunch: Include nuts such as pistachios, candied pecans, or walnuts.

Something Sweet: Add maple cookies or another fall-inspired treat.

Spread: Pair with a spiced fruit butter, such as pumpkin or apple butter.

Garnish: Fresh sage or rosemary sprigs add a festive autumnal touch.

DIRECTIONS

Arrange ingredients on a board, mixing colors, textures, and heights to create an inviting presentation. Include cheese knives, mini tongs, and other serving implements. Enjoy with friends, family, or as an easy seasonal appetizer. Serve cheese at room temperature for the best flavor—remove from refrigeration about an hour before serving.
