Definitions

Parole is the supervised release of convicted offenders prior to the full completion of their original prison term.

Absconder means an offender who, while on probation or parole, conceals his/her location from the attending probation or parole officer.

Furlough means an authorized absence extending the limits of confinement from a correctional institution to visit a specific place within the boundaries of the Commonwealth of Kentucky for a specific length of time. At the expiration of the furlough, the inmate must return to the designated facility.
