

**New Hampshire Statewide Automated Victim Notification (SAVN)
Role of SAVN Victim/Survivor Advisory Committee**

The role of the Committee is to provide the New Hampshire SAVIN Governance Committee with:

- Initial input about the importance of victim notification; the scope of information, notification and other services that SAVN should provide to victims; and victims' most important information needs.
- Feedback and suggestions about SAVN's information technology platform as it is being built to ensure that it is applicable to victims' information and notification needs and user-friendly.
- Ongoing advice about any recommendations for SAVN enhancements and improvements.
- Assistance in serving as liaisons to other victims and survivors to promote awareness and education about NH SAVN.
