Erratum

In the article “Do 45% of College Students Lack Critical Thinking Skills? Revisiting a Central Conclusion of Academically Adrift,” by David Lane and Frederick L. Oswald (Fall 2016, EM:IP), there is a typographical error in the equation for $S_{\text{diff}}$ on page 24.

The correct and intended equation is as follows:

$$S_{\text{diff}} = \sqrt{2} \cdot SEM$$
