

It is with profound sadness that I share with you the news of Rose McCallin's passing on November 12, 2020. Rose was a long-time NCME member, served on various NCME committees, and most recently, Rose was an NCME Board of Director from 2017 – 2020. I had the pleasure of serving on the Board with her and was truly impressed by this amazing individual. Rose was kind, loving and passionate. Her authenticity and dedication inspired many of us who had the privilege to know her. I will miss Rose, miss her free spirit, her generosity, and her quirky sense of humor.
