# RISK MANAGEMENT FOR INTERSCHOLASTIC ATHLETICS AND AFTER-SCHOOL ACTIVITIES

AWR-375-W

## Course Overview

In this course, interactive learning modules allow participants to identify and develop an increased understanding of risk mitigation and protection activities for after school activities and interscholastic athletics. The overall goal of this online learning program is to enhance the safety and security awareness of individuals responsible for organizing, supervising, and supporting after school activities and interscholastic athletic events. Those responsible for organizing, supervising, and supporting the activities and events will learn and apply best practices for risk management, professional development, communication, and planning.
