ENHANCED SPORTS AND SPECIAL EVENTS INCIDENT MANAGEMENT

MGT-440

DHS/FEMA-funded course
This course is scenario based, focusing on event planning, incident management, and policy level decision making. The course is intended to prepare participants for the response to a large scale incident during sporting or special events. Participants will engage in three all-hazard, simulation supported (Biological, Mass Casualty, Active Shooter, Improvised Explosive Device (IED), Hazmat, or natural disaster), emergency response exercises to hone individual and team decision-making skills from a Policy Group, Emergency Operations Center (EOC), and Incident Command Post perspective.

Topics
- Event action planning
- Incident action planning
- Critical considerations
- Governance and strategic policy considerations
- Evacuation and sheltering

Prerequisites
FEMA / SID Number
Students must register and bring a copy of their SID number to class. Register online:
cdp.dhs.gov/femasid
