**Pre Test**

**Pre-Test**  
 15 Questions | 1 attempt | 0/15 points to pass  
 The following questions are designed to assess participants' knowledge of children with problematic sexual behavior before and after the completion of assigned readings and any formal training. Please answer the questions to the best of your understanding. We are truly interested in your current knowledge. Do NOT research the answers to items before responding. Please mark next to the true or false response you think is correct.

[Take Quiz](#)  
 You have 1 out of 1 allowed attempts remaining.

7) Please note that some content may require to complete, pre-requisites (in the same Digital Learning content) in order to progress to the next section.

# NCSBY Learning Center

The screenshot displays the NCSBY Learning Center interface. On the left, a dark green sidebar contains a 'Main Menu' with options: Home (highlighted by a yellow arrow), Dashboard, Catalog, Profile, FAQs, Cart (0 items), and Calendar. Below this is a 'Full Site Search' section with filters for 'Search by Category' (Any), 'Search by Type' (Any), 'Search by Content Type' (All selected (2)), and a 'Search by Keyword' field containing 'keywords'. The main content area features a 'Welcome' banner with a group of people. Below the banner are three featured content cards: 'Clinical Training Materials - School Age', 'Clinical Training Materials - Adolescent', and 'Senior Leader Resources'. At the bottom, a 'Recommended For You' section includes filters for 'Search by Category' (Any), 'Search by Format' (All Webinar Types), 'Search by Type' (Any), and 'Sort By' (New to Old). A 'Find' button is located at the bottom left of the search section, and an 'Advanced Search This List' link is at the bottom right of the recommended section.

- 8) Enjoy your Digital Learning experience and share feedback! You may also search for other Digital Learning content from the Catalog. Using the side bar menu, select “Home”.

- 9) Explore additional or various Digital Learning content from the Catalog or search for specific topics based on your Training Type!

Enjoy your Digital Learning and share feedback!
