

ASB-CS

In recent years there has been increased attention to sexual behaviors displayed by children and their exposure to sexual topics. In our efforts to provide the best quality of care possible, we are asking you to complete a few questions to help us determine whether these are concerns for you and your child. If you have any concerns after completing these questions, please discuss them with your provider.

1. Does your child display an interest in sexual topics and/or behaviors?	No	Yes
2. Are you concerned about your child's sexual behaviors?	No	Yes
3. Has your child continued to display sexual behaviors after being told to stop?	No	Yes
4. Has your child engaged in sexual behaviors online or in a digital format (such as email, text messages, social media posts)?	No	Yes
5. Would you like information about typical sexual development and behavior of children?	No	Yes
