

# Advanced Training for Therapists Trained in Parent-Child Interaction Therapy (PCIT) to Address Problematic Sexual Behavior (PSB) Within the PCIT Services

**April 8-9 2026**  
**9AM-5PM**

Apply today!  
<https://redcap.link/PCIT2026>

Definition

Clinicians using this treatment addendum should be first trained in PCIT and meet the certification requirements from PCIT International. The purpose of this addendum is to assist clinicians in delivering services to young children who present with both disruptive behavior problems and co-occurring problematic sexual behavior.

Requirements

- 1 - Trained in PCIT and met certification requirements
- 2 - Complete PCIT for PSB Application
- 3 - Complete Prework (required readings and video training series)
- 4 - Attend 1.5-day virtual training and 12 months of consultation calls

Cost of training and materials would be covered by NCTSN Scholarships.

\*Provider time costs are not included.

Training is supported [in part] by grant #H79SM085083 from the Substance Abuse and Mental Health Services Administration (SAMHSA). Views expressed in the training do not necessarily reflect the views or policies of SAMHSA or the U.S. Department of Health and Human Services (HHS).
