Exam: NETA Level 2 Assistant Technician Practice

### NETA Level 2 Assistant Technician Practice Certification Examination

Welcome to the Prometric Computer-Based Testing (CBT) Examination system.

#### Level 2 Assistant Technician

The InterNational Electrical Testing Association (NETA) Level 2 Assistant Technician Practice Certification Examination is designed to provide the test candidate with a representation of the NETA Certification Exam. This practice exam is the only practice mechanism for NETA technician certification developed and approved by NETA. A passing result on this practice exam does not constitute having achieved the level of NETA Certified Technician.

The NETA Level 2 Certified Assistant Technician Practice Certification Examination consists of 50 test questions. A period of one (1) hour is allotted to complete this examination.

#### Computer-Based Testing Tutorial

Before your exam begins, you will have an opportunity to familiarize yourself with the navigation and tools of this examination. The questions in this tutorial are for demonstration purposes only and do not impact your examination score. Please take the time to answer these questions; they are designed to give you a chance to

18. Click the Start Exam option.

**PROMETRIC**

## Welcome

### Prometric Computer Based Testing Network

Test centers will be opening in accordance with CDC recommendations for their State Jurisdictions. Please check regularly for available sites, dates and times.

All scheduled exam sessions are subject to cancellation due to COVID-19 requirements, which take precedence, including the need to change testing availability on a daily basis. Please monitor your email for last minute notifications. To confirm you exam is going to be administered, you can contact IQT the day before your scheduled session.

Thank you for your support and continued partnership as we work together to ensure the safety, health and well-being of those we serve.
