

Form for Proposals

Anyone may propose a new section for a NETA Standard using this form:

When drafting a proposed section:

Use the most recent edition of the specifications as a guideline for format and wording.

Remember that NETA specifications are “what to do” documents and do not include “how to do” information.

Include references.

When applicable, use the standard base format:

1. Visual and Mechanical Inspection
2. Electrical Tests
3. Test Values
