### **The Association**

The InterNational Electrical Testing Association is a membership organization whose mission is to promote and lead the advancement of the independent electrical testing industry by inspiring confidence and assurance in its standards, specifications, and the professional services of its members and certified specialists.

### **Representation on Ballot Pool**

NETA ballot pools represent a balance of interests; no single interest category may constitute a majority of any pool's membership. On the form, please indicate the interest you best represent; if more than one applies, indicate in priority order:

- Producer of Electrical Testing Services
- User of Electrical Testing Services
- General Interest

### **Responsibility of Ballot Pools**

As a member of a NETA Ballot Pool you have the privilege of taking an active role in the development of industry standards. Ballot Pool Members shall be responsible for:

1. Voting on approval of proposed American National Standards within its scope.
2. Maintaining the standards developed by the Standards Review Council in accordance with ANSI Essential Requirements.
3. Confirming the accuracy of all references within the NETA document.
4. Other matters requiring Ballot Pool action as provided in the NETA Operating Procedures for Standards Accreditation.

### **Ballot Pool Appointment**

Each application will be reviewed by the Standards Review Council, and applicants may expect notification within approximately 90 days.

### **Appointment to a Ballot Pool is based on**

- Qualifications of the applicant
- Limiting the size of each Ballot Pool to a manageable working group
- Maintaining a balance of interests within the membership of each Ballot Pool
