

## **An Unprecedented PowerTest26: Industry-Leading Speakers, Sponsors, and Exhibitors Fuel Record Success with a few Standout Award Winners**

*NETA, the InterNational Electrical Testing Association, proudly recognizes the outstanding presenters, exhibitors, and service partners who make PowerTest26 one of the most successful and impactful conferences in the event's history.* As the electrical power industry's premier technical training conference, PowerTest delivers advanced education and hands-on technical training. The conference also brings power professionals together to reconnect, exchange ideas, and celebrate excellence across the electrical power systems industry.

**Portage, MI April 15, 2026 – Each year, PowerTest attendees vote for their favorite presentations and speakers, trade show experiences, and company-hosted hospitality suites.** NETA is pleased to announce the PowerTest26 Award Winners across all categories.

### **POWERTEST26 TECHNICAL PRESENTATION WINNERS**

#### **Best Overall Presentation**

Brandon Dupuis, OMICRON

*It's Called Power Factor: Top Tips and Tricks for Power Factor Testing*

#### **Best Sales and Business Management Presentation**

Mose Ramieh, CBS Field Services

*Becoming the Technician: Elevating Reliability, Excellence, and Trust in Electrical Field Services*

#### **Best Transformer Presentation**

Jon Bucciarelli, SDMyers Transformer Services

*The Eight Truths of Transformer Reliability: What Every Reliability Program Must Get Right*

#### **Best Relay Presentation**

Morteza Talebi, PowerX

*From Theory to Field: A Deep Dive into Transformer Through-Fault Testing Methodology*

#### **Best Emerging Technology Presentation**

Kenneth Peters, Power Engineering Services, Quanta

*Powering the Future: Building a Skilled Testing and Commissioning Workforce for a Modernized Grid*

#### **Best Electrical Safety Presentation**

Steve Park, Electrical Reliability Services

*The Importance of Stop Work Authority*

#### **Best Equipment & Reliability Presentation**

Michael Labeit, RESA Power

*Bolted Connections: A Primer*

#### **Best Electrical Equipment Maintenance Presentation**

Matt Robinson, Sigma C Power Services

*Cradle to Grave: Leveraging NFPA 70, 70B, and 70E as a Total Solution Provider*

## **POWERTEST26 TRADE SHOW EXPOSITION AWARDS**

**Best in Show** — OMICRON

**Crowd Favorite** — PowerX

**Most Innovative** — intellirent

**Rising Star** — Moonshot

## **POWERTEST26 HOSPITALITY SUITE NIGHT WINNERS**

- **Most Welcoming** — IPS – Integrated Power Services
- **Best Late-Night** — Vector Power
- **Best Interactive Experience** — EPS
- **Best Signature Drink** — Saber Power
- **Best Theme Execution** — Megger
- **Most Innovative Design** — RESA Power
- **Best Brand Representation** — Group CBS
- **Most Popular Hangout Spot** — Power Engineering Services – Quanta
- **Most Unique Menu** — Shermco
- **PowerMixer Bar** — Protec

## **NETA SERVICE PARTNER AWARDS**

NETA also honored three invaluable service partners who support the work of the Association and its mission throughout the year.

### **Furrie Steelmon, Expo Group**

*PowerTest Trade Show Architect*

### **Neil Sepulveda, Long Beach City College**

*Electrical Testing Technician Curriculum Champion*

### **Ken Morton, NAMO – NETA Accredited Military Organizations**

*NAMO Technician Training Champion*

NETA extends its sincere appreciation to all presenters, sponsors, exhibitors, and partners whose contributions helped shape an exceptional PowerTest26 experience. Their expertise, innovation, and commitment to supporting NETA in advancing electrical power safety and reliability continue to strengthen the industry and elevate the PowerTest community.

## **About NETA**

The International Electrical Testing Association (NETA) is an ANSI-Accredited Standards Developing Organization that creates and maintains standards for electrical commissioning, acceptance testing, and maintenance testing for electrical power equipment and systems, as well as a standard that addresses the certification of electrical testing technicians. NETA also serves the power industry as an accrediting and certifying body for electrical testing companies and technicians.

NETA members are comprised of electrical testing companies setting the standard in electrical testing, visionaries committed to advancing the electrical testing industry and ensuring the highest level of reliability and safety.
