

NETA Invites Safety Focused Electrical Contractors to a Complimentary Luncheon on NFPA 70B Compliance Planning during PowerTest26 in Nashville, Tennessee

NETA has taken a leadership position in support of the National Fire Protection Association 70B Standard for Electrical Equipment Maintenance (NFPA 70B) by establishing its Qualified Electrical Equipment Maintenance Company and Worker Program.

Portage, Mich., February 12, 2026 – The InterNational Electrical Testing Association (NETA) – is pleased to invite safety focused electrical contractors to a complimentary luncheon on March 3rd at the Gaylord Opryland Resort & Convention Center in Nashville, Tennessee. This informative luncheon will provide a detailed review of the NFPA 70B qualified worker requirements and introduce attendees to NETA's Qualified Electrical Equipment Maintenance Company (QEMC) and Qualified Electrical Equipment Maintenance Worker (QEMW) Program. Launched in 2024, the QEMC / QEMW Program offers electrical contractors a recognized third-party credentialing pathway to demonstrate NFPA 70B compliance and verify electrical maintenance worker qualifications according to NFPA 70B.

EVENT DETAILS

NETA / NFPA 70B Compliance Luncheon for safety focused Electrical Contractors

Presentation: *NFPA 70B Compliance Planning and the Benefits of NETA's QEMC / QEMW Program*

Date & Time: Tuesday, March 3, 2026 | 12:00pm – 1:30pm

Location: Gaylord Opryland Resort & Convention Center, 2800 Opryland Dr., Nashville, TN 37214

Luncheon Highlights

Attendees will:

- Gain a clear understanding of NFPA 70B compliance requirements and how electrical contractors are preparing to meet them.
- Learn how NETA's QEMC / QEMW Program supports electrical contractors performing electrical equipment maintenance in compliance with NFPA 70B.

*Seating for this complimentary luncheon is limited. To ensure your spot, we kindly ask that you contact NETA at (888) 300-6382 to **confirm your attendance by Friday, February 24th.***

This complimentary luncheon will be held in conjunction with the NETA PowerTest 2026 Conference (March 2 – 6, 2026) at the Gaylord Opryland Resort & Convention Center in Nashville, Tennessee. Following the presentation, NETA welcomes luncheon attendees to join us as guests at the PowerTest 2026 Trade Show. Featuring 100 leading companies serving the electrical power maintenance industry, the Trade Show offers opportunities to connect with manufacturers, service providers, and professionals from across the field. More information about PowerTest 2026 is available [HERE](#).

NETA would be honored to have you join us for this educational and engaging event.
