

WORLD COMA DAY

AWAKENING HOPE | MARCH 22, 2021

SAVE THE DATE FOR THE FIRST WORLD COMA DAY

The Neurocritical Care Society (NCS) invites you to join us for the first ever World Coma Day, taking place on March 22 from 12:00 a.m. – 11:59 p.m. GMT.

World Coma Day will feature:

Stories of remarkable recovery

Science and research focused education sessions presented by medical experts

“Shout-out” video feeds from intensive care and rehabilitation units around the world

Educational sessions directed at patients and families who have been impacted by coma

Learn more and register to attend for free at curingcoma.org/world-coma-day.
