

Dustin Lanier

CPPO

Dustin Lanier, founder of Civic Initiatives, has led assessments and procurement transformation initiatives in multiple states across the nation. Prior to Civic Initiatives, Lanier held a variety of leadership roles related to strategic planning and contracting in 10 years in Texas state government.

As the Executive Director for the Council on Competitive Government, Lanier initiated and successfully fulfilled multiple procurement initiatives on behalf of state leadership which were responsible for over \$37 million in savings in diverse spend categories.

Lanier also served in key technology strategy roles as the director of Strategic Initiatives for the state CIO and as Special Assistant for Technology Policy for the Governor. Lanier is a Certified Public Procurement Officer.
